

College of Science & Engineering (CoSE) Student-Faculty Research Initiative and Annual Student Showcase

May 3, 2019, 2:00 p.m. - 6:30 p.m.
Student Life Event Center (Annex I)

Your organization has the opportunity to sponsor one of SF State's most dynamic and important student research events of the academic year. As a sponsor, you will explore a range of engagement opportunities with students and award-winning faculty researchers from the College of Science & Engineering (CoSE):

- Sponsor and brand the largest CoSE event of the year
- Host a targeted recruiting event at the Showcase
- Sponsor a student faculty research project focused on solving a problem in your organization
- An opportunity to recruit interns and future employees for your organization
- Volunteer to judge the Student Project Showcase poster session competition

Program Background

The College of Science & Engineering Student Project Showcase celebrates undergraduate and graduate research in an annual poster session competition at the Student Life Events Center on SF State Campus. Now in its 21st year, the program has grown from its humble beginnings of a handful of students presenting their research to an event that hosts over 275 projects and engages with dozens of alumni, faculty and friends. Our program gives students the opportunity to further their academic careers and entrepreneurial goals.

Measureable Impact

CoSE has over 7,000 students majoring in Biology, Chemistry & Biochemistry, Computer Science, Earth & Climate Sciences, Engineering, Geography &

Environment, Mathematics, Physics & Astronomy, and Psychology. Many of the top students will present their research projects at this event and compete for cash prizes. Our event gives sponsors access to new talent entering the job market.

SF State students are leading members of the Bay Area workforce and are energetic drivers of innovation in California. The Student Project Showcase gives potential employers, investors and philanthropists an opportunity to see the best SF State has to offer in one room. Bay Area companies that employ SF State's unique and diverse graduates include the following:

Wells Fargo	833 Alumni Employees
Apple	556 Alumni Employees
Genentech	656 Alumni Employees
UCSF	754 Alumni Employees
Oracle	347 Alumni Employees
